2. Given your present assignment, what segment of the course did you find most useful? Least useful?

all were useful. Those giving me most benefit (given my work assignment) were finance, logistics, ODP + DD/A overview, however I found several of the other presentations to be even more interesting and informative especially OGC, Overview of agency [redacted] Security + EEO.

3. Please describe how the course benefited you.

was good refresher regarding missions of other offices, missions/problems, new approaches being taken to accomplishing objectives. I found all presentations helpful in this way - also chance to meet + converse with other Directorate employees very useful.

4. What suggestions do you have for improving this course?

I'd give more time to topics especially interesting to all attendees to wit: Personnel, EEO, career mgt. in Directorate, etc.
